

Hi! I will be your grade one teacher at Mitchell Elementary School next fall, and I am looking forward to meeting you! We will have a special year together of working and learning.

I am sending you this letter now so that during the summer you can gather the supplies you need for Grade One. We have so many things to do and learn that we will have to get busy the very first day! The list of supplies is below.

Please be sure to label all of your supplies with your name.

Have a happy summer!
