Principal

Sept. 8, 2015

Dear Parent / Guardian,

From time to time the classes at Mitchell Elementary School take part in activities that take them off the school grounds. In the past we have asked for written permission for every activity such as a fieldtrip to Winnipeg or walking the local Terry Fox Run on the streets around our school. To help us eliminate the need for asking your permission each time, **we ask that you sign this form consenting that your child has permission to go on walking trips from the school throughout the year**. These trips could include nature walks, walks to the arena, Mitchell Middle School, Terry Fox Run and other destinations that are within walking distance. Each of these walking trips will be announced well in advance and your signature on this form indicates your permission. Your written consent will still be required for each fieldtrip requiring bus transportation.

Joe Thiessen  
Principal
