

Welcome to Grade 1/2A

Hello! We are looking forward to meeting you and your families in September. We have so many fun and exciting things that we are going to explore and learn together. To be ready for grade 1 & 2, there are a few things that you will need:

- a school bag
- a lunch kit
- headphones (ones that fit over the head, no ear buds please ☺)
- 1 box of Kleenex
- non-marking indoor shoes (please make sure that your child is able to tie their own shoes or have Velcro)

- \$35.00 to cover the cost of school supplies and field trips (if writing a cheque, payable to Mitchell Elementary School)

This year, I will be purchasing school supplies for you. Therefore, you are off the hook for needing to pick up all those crayons, erasers, etc. We hope that this gives you a little more time to spend relaxing in the summer sun.

Wishing you a wonderful summer!

Your Grade 1/2 MES Teacher

Mrs. Allison Antonio
