PRINCIPAL'S MESSAGE

Here we are in the remaining days of what has been a school year like no other! Just like every school year at MES, the fall and winter terms were full of memorable highlights that are typical for us. However, this final term we embarked upon the unfamiliar territory of home-based learning, which required us to creatively reimagine what teaching and learning could look like during a time with limitations. As we have moved along this path together, I have been gratified by the dedication of our staff and the level of commitment of our greater MES school community toward making home-based learning possible. This collaborative effort between school and home continues to prove the point that at MES, relationships really matter –A LOT!

The return of smiling little faces to our building in the last few weeks has been a great reminder of all that we have to look forward to this coming fall, which will also include the near completion of our new, much anticipated, learning spaces. At this point the particulars surrounding our back-to-school in fall are being determined by the Province of Manitoba, so please look for dates and information in August on the Hanover School Division website. In the meantime, I wish all of you all a very well-deserved summer break, filled with family and friends.

I would like to welcome the following staff members to Mitchell Elementary for Fall 2020.

Megan Lewis - Gr. 1	Heidi Buhler-Gr. 3
Janeen Lange - Kindergarten	Cassidy Kroeker-Gr.3
Jessica Nickel-Kindergarten	Amy Smith-Gr.2
Sheila Krahn-Gr.1	

In closing I would like to wish the following staff well as they will not be at MES next year.

Meagan Rempel	Tamara Banman
Eddi Konrad	Tracy Banman
Roxanne Doerksen	Tara Klassen
