### **VICE PRINCIPAL'S MESSAGE**

In challenging times we realize the significance of the relationships we have built. While there have been many unique and challenging layers at the start of this school year, MES staff would like to say "**Thank You!**" for all of the encouraging words, emails, and well wishes. As we continue to navigate our unusual circumstances, we continue to embrace our community as we plan and often replan for safety for all members here at school.

MES students have been great as new routines have been established and adjusted. We appreciate your support and patience as we navigate provincial health orders and new protocols intended to keep our children and community safe.

MES would like to welcome (& welcome back) Tamara Banman, Kathleen Derbowka, Jamie Karr, Cassie Schmidt, Tammy Hiebert, Amy Harms, and Bobbie Durocher to our school staff team.

MES is a "Great place to grow!"
