

# Winter Gear Must-Haves

*Please remind your child to wear all of their winter gear to school and we will do the same here!*

**Insulated Jacket**

**Snow Pants**

**Waterproof Winter Boots**

**Hat**

**Water-resistant Mittens**  
(no finger mittens please)

**Scarf or Neck Warmer**

**Please consider donating to MES!**

*There are times that we need to supplement cold weather gear for our students and we would graciously accept donations of gear that your children have outgrown. We have a high need for children's mittens, ski pants and boots. If you are able to donate, please drop off the winter clothing at our office or send it with your child, clearly labeled as a donation.*

*We thank you for supporting MES in this way!*
